Article I. Name
Section I. This organization shall be known as the Interfraternity Council at the Kennesaw State University (KSU) hereafter referred to as “the IFC” or “the Council” in this Constitution and Bylaws.

Section III. Aligning with the KSU policy on non-discrimination, IFC does not discriminate on the basis of race, color, religion, national origin, age, sexual orientation, or disability. The IFC is protected under Title IX in regards to gender discrimination.

Article III. Definitions

Section I. For the purpose of this IFC Constitution and Bylaws, and with an understanding that each member fraternity may have its own terminology for internal use, the following terminology shall be the standard for the entirety of this document, unless otherwise indicated:

A. Interfraternity Council (IFC): shall be construed to mean the council consisting of member fraternities to fulfill the purpose outlined in Article II, Section I.
B. Fraternity: shall be construed to mean a member fraternity of the IFC.
C. Active Member: shall be defined as any member who has been initiated/affiliated into any member fraternity.
D. New/Associate Member: shall be defined as any member who has accepted a bid to join a member fraternity but has not been initiated.
E. Potential New Member: shall be defined as any non-member who has not accepted a bid from any member fraternity.
F. Quorum: shall be defined as the minimum number of voting members who must be present at a properly called meeting in order to conduct business, or 50% +1 of all IFC Chapters.
G. Two-thirds Vote: A two-thirds vote means two-thirds of the votes cast at a meeting where a quorum is present. This must not be confused with a vote of two-thirds of the members present or two-thirds of the members. To illustrate the difference: Suppose 8 Fraternities vote on a question in a meeting conducted by the IFC, where 10 are present out of a total membership of 12, a two-thirds vote would be 6; a two-thirds vote of the members present would be 7; and a vote of two-thirds of the members would be 8.
H. Majority Vote: More than half of the votes cast at a meeting where a quorum is present. This means 50% + 1.

Article IV. Membership

Section I. Membership in the IFC is open to approved chapters and colonies of fraternities at KSU, as follows:

Updated: January 14, 2020
8. Values and Ethics

C. Each member fraternity shall only offer bids to join its fraternity to potential new members who meet the following academic requirements:
   
   1. In order to be a part of our community, potential members must have a minimum 2.5 GPA out of high school and 2.65 with previous college experience. This number is based off of an individual’s most recent cumulative GPA, whether that is their high school, transfer, or Kennesaw State GPA. It is important to note that the Department bases our GPA calculation in conjunction with Kennesaw State University, meaning for high school and transfer GPAs that only core, non-elective classes are counted. For the Kennesaw GPA, the department utilizes the adjusted cumulative GPA for membership purposes.
   
   2. While the above listed GPAs are the minimum requirements to receive an invitation of membership into an organization, having this GPA does not guarantee membership. For many of our organizations, a new/associate member must have a GPA that is at least equivalent to their organization’s average GPA that is listed below in the community grade report. Due to this number constantly changing, other than publishing the minimum GPA for each council, the Department is unable to confirm the actual GPA needed to receive an invitation for membership into an individual organization.
   
   3. Upon acceptance of a bid, must sign an academic release waiver granting the Department of Fraternity and Sorority Life permission to view and release grades to the necessary member fraternity representatives during the duration of membership.

D. Each member fraternity shall maintain an adjusted cumulative grade point average of 2.65, in addition to the semesterly grade point average discussed in the IFC and Department of Fraternity & Sorority Life Academic Policies.

E. Each member fraternity shall prohibit women’s auxiliary groups, such as “little sisters” and women’s participation in ritualistic practices of the fraternity (Approved “Sweetheart Programs” can exist).

F. Each member fraternity shall have and follow risk management policies covering the following areas:
   
   1. Alcohol and Drugs
   2. Hazing
   3. Sexual Abuse and Harassment
   5. Mental Health

G. Each member fraternity shall prohibit the use of alcohol and drugs by all active members, new/associate members and potential new members during all recruitment activities.

H. Each member fraternity shall prohibit the use of alcohol and drugs by all active members and new/associate members during all new/associate member educational programming.
I. Each member fraternity shall prohibit hazing, as defined by local, state, and federal laws, Kennesaw State University and their inter/national organization, within all aspects of formal and informal chapter operations.

Failure to provide a receipt may result in the individual with the card being responsible for the charges incurred during that time.

D. All checks will be kept in the office of the IFC advisor.
